

NORTH CENTRAL FAYETTE COUNTY WILDLIFE MANAGEMENT CO-OP

SPRING TIME IN FAYETTE COUNTY

THANK YOU TO ALL EDITORIAL CONTRIBUTORS WHO HAVE SUBMITTED STORIES FROM THEIR OWN BACKYARDS FOR THE ENJOYMENT OF ALL TO READ!

NCFCWMC Board of Director's Meeting November 9, 2021

Meeting was held at Lana Limmer's house and attended by Luke Sternadel, Wayne Navarro, Laurie Galland, Gary Weishuhn, Larry Tietjen, Dale Meinardis and Lana Limmer. Norman Schultz and Laura Sherrod were unable to attend due to prior commitments.

Luke began the meeting by discussing why Camp Kubena did not want to host the Fall 2021 meeting. The reason given was basically due to COVID restrictions. Camp Kubena facilities did not believe that such a large gathering of people could be safely held in their facility due to air filtration and space. Luke discussed dates for the Spring 2022 and Fall 2022 meetings. He called Camp Kubena who approved a spring meeting on March 12 which includes a field trip with wagons provided by CK to view food plots. October 8 was approved for the fall meeting

Wayne Navarro discussed progress on webpage which is being developed by Steve Boehm. Website is ncfcwildlife.com. Managers for the website can login under bylaws with password XXXXXXXX. Then you will be directed to create your own password.

Newsletter was discussed. 285 copies sent last time. Will be sent the middle of January. Possible changes to this process included emailing the newsletter and having advertising.

Luke mentioned Christmas Party for Directors. Larry suggested we postpone it and all agreed.

Farm Bureau has hog trapping system that our organization might be interested in. Luke said we need to address this in our next meeting.

A scholarship to Ellie Sodalak was discussed.

Changes to requirements for college scholarships for children/grandchildren of members in good standing was introduced. Gary mentioned that currently they are available for students majoring in ag or wildlife. Opening these scholarships to more majors will be considered at March meeting. Luke added that we should ask Laura about this for her opinion.

March Meeting:

3:00 tours

4:00 social

5:00 speakers

6:00 meeting/meal

Live auction

Nominations for new directors will be in the next newsletter. Next directors meeting will be mid-January. Spring meeting will be discussed.

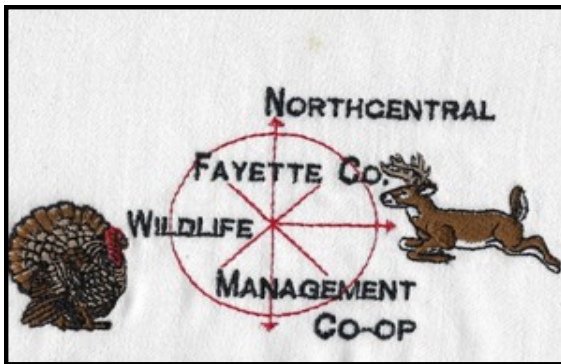

Newsletter end of January. Meeting ended 8:02

Director Positions Available

There are going to be 6 positions up for re-election. If anyone is interested in becoming a director contact Luke Sternadel (979-966-2085) OR Lana Limmer (979-966-3477).

North Central Fayette County Wildlife Management Co-op Mission Statement

The North Central Fayette County Wildlife Management Co-op (NCFCWMC) was established February 5, 1993 with the belief that proper management of wildlife and its habitat is beneficial to all people. NCFCWMC wants to provide a healthy diverse animal and plant population for appreciative and of hunting purposes. Therefore it is important to manage areas of continuous land. No member shall be legally bound by any policy except expressing their good faith and intent to comply with managing the wildlife habitat and population of their properties using the NCFCWMC principles

GIANT WASP NEST!!

This huge wasp nest was found in a non running pickup truck. The wasps look very much like honey bees, but the wildlife biologist says they are paper wasps. Needless to say, there was a tremendous amount of little flying wasps. The picture was taken after setting off a fogger inside

**NCFCWMC Co-op

Mortal Combat

These two bucks fought and ended up in a pond of a local landowner. When asked what he first thought when seeing them after coming over a hill he said he first thought that his Charolais bull was in the water. It was a chore to remove them and they were aged at about 4.5 to 5.5 years old.

NOTE

If you want to show off your deer horns for last years deer season bring them to the meeting.

Deer Meets Bobcat

The Kreneks sent us this picture which was captured on a game camera in Southwest Fayette County between Schulenberg and Flatonia.

NCFCWMC Member's Meeting

July 10, 2021

The North Central Fayette County Wildlife Management Co-Op met on Saturday, July 10, 2021 at 5:00PM for a social and meeting at the Ledbetter Community Center. Lana Limmer, Virgie Hall and Laurie Galland registered the guests and took care of official business as guests arrived. Approximately 75 attended.

President Luke Sternadel called the meeting to order and welcomed everyone. Minutes from the last meeting were read by Norman Schultz. Treasurer, Lana Limmer, gave the treasurer's report. A motion was made by Rodney Read to accept the minutes and the treasurer's report as read. Carlo Triolo seconded the motion. A "Thank You" was given to Norman Schultz for his many years serving as president of the Co-Op. Mr. Schultz will continue to serve as a director.

Luke introduced the guest speaker, Wildlife Biologist, Laura Sherrod. Laura serves Fayette and Lee County as their biologist. She spoke on managed lands, deer permits, wildlife tax evaluations and gave updates on wildlife and pond management tips. She answered questions from the members regarding pond management, wild turkeys, and grasses for wildlife. Members were asked to present their ideas for topics for the annual meeting. These ideas may be presented to any of the Co-Op directors.

Fried chicken(catered by Gary Goebel) and iced tea was provided by the Co-Op. Members brought side dishes and desserts. Everyone brought their own beer beverages. Door prizes were awarded throughout the evening. There was no auction or raffle at this meeting. Dues were collected for the year 2021. Members will be able to pay their 2022 dues at the meeting in October or mail them to NCFCWMC at P.O. Box 224, Round Top, Texas 78954.

Luke announced that the annual meeting will be held Saturday, Oct. 9, 2021 at Camp Kubena (formerly Cooper Farms). The meeting adjourned with the meal prayer given by Emil Sodolak.
